

Locavore Vendor Demo Program

Thank you for your interest in a vendor demo at Central Oregon Locavore.

We would love to have you and you will find that there are many benefits to product demos including:

- You can sell a lot of products during your demo.
- Telling your story to customers builds brand loyalty. Vendors who regularly demo sell more year-round, not just on demo day
- You will expand customers' horizons. Many customers believe that they do or do not like a certain product, taste, scent, or texture, but when provided with the opportunity to try it for themselves, they often find that they were mistaken.
- You build community. That is our goal at Locavore, to build community.

Vendor demos take place on Tuesday and Thursday from 3:30-5:30 and on Saturdays from 10-12.

You must provide us with at least 2 week's notice before signing up.

You can sign up for a vendor demo spot on our website under "Marketplace" --> "Selling at Locavore". You will receive a notice when your demo request is received and approved. Please only sign up for 1 demo spot per quarter? Please note, that you must receive approval for your demo to be confirmed.

We will promote your demo through our social media outlets, in the marketplace and via word of mouth. Help us spread the word, tell everyone you know to come and check out your products and Locavore!

Thank you again for being one of our vendors, we so appreciate you!
